## ***Other***

The KHS Band department has had a close association with the University of North Texas since 1986, including the collaboration with the Music Ed 4109 pre-student teaching class, which is taught on the Krum campus. The UNT students observe and teach to help prepare them for their individual teaching assignments, a program that is unique in Texas.

Krum music groups perform throughout the year for the community, at nursing homes and children's homes, and for other charity events as needed. All school music groups K-12 perform annually at the Krum Veteran's Day celebration.

KMS/KHS Bands and Choirs have received consistent Sweepstakes awards for UIL Concert, Sight-reading, and Marching Band Contests. The Krum Bands and Choirs attend the Region solo/ensemble contests, with record number of small school students qualifying each year for the State competition. In 2015, 94 KHS Band and Choir 101 students performed at the State contest in 43 events.

Band, choir, and color guard have performed at Disney World, Orlando, including instrumental and vocal workshops, along with public performances in the Dallas/Ft Worth area, Austin, San Antonio, and Branson MO. The KHS Band has performed on numerous occasions, by invitation from our local State Senator, at the Texas State Capital in Austin during Music Education Advocacy Month.

KISD regularly hosts professional musicians, performers, composers, conductors, educators, military and college ensembles, and related fields, to work with our students to help educate and inspire them to be both advocates and educated consumers of music throughout their life.

The KHS band performs yearly "Music and the Brain" Advocacy concerts for parents and community, with the latest scientific research presented and audience participation.

In the 2019-2020 school year, 25% of Krum HS students participated in at least one music organization.
